

LET US HELP YOU
BUILD A
SUSTAINABLE
TOWER FARM

Equipment Financing

Tower Farms is a direct lender offering, easy access to help you start your business in the urban farming arena. We provide low cost options helping you to reduce your capital outlay at the start of your farm.

At Tower Farms, we understand that starting an urban farm can be challenging. As such, you need financing solutions that meet your needs as a new start up.

Whether you are farming outdoors, indoors, or in a greenhouse, we will provide you with a low cost solution that will contribute to better cash flow management and ultimately, a more profitable operation.

We offer financing on everything you will need to get your farm up and running, including: Tower Gardens, Irrigation Components, Dosing Systems, Gravity Tanks, and Nutrients.

OUR FINANCING SOLUTION INCLUDES:

- 24 – 48 hour credit approvals
- 75% Financing
- 12 – 36 Month Terms
- Financing from \$5,000 up to \$250,000
